Counseling/Academic Advisement

Take advantage of the services, staff, and resources available for your benefit. Our doors are open to stop by for information, advice, and help in making academic and career decisions. Academic advisement is available to all students. Academic advisors and counselors help students develop an educational plan and term course schedule, assess their progress as they continue their studies and effectively use campus services. The website, www.facts.org, is Florida's online self-help service for students' degree audits, financial aid information and transfer and career information. Counselors also help students explore their attitudes and interests as they relate to their academic, social and emotional life and offer career exploration assistance.

Contact Counseling/Academic Advisement on each campus: Central, Kaye Francis, 201-6528; North, Mindy Tilles, 201-2305; WHC, Carol Brinson, 201-7411; South, Anthony Cruz, 201-8875; Pines Center, 201-3603. International Student Advisement & Immigration: Susan Greive Brown, 201-7468.

Office of Student Success

The Office of Student Success is committed to increasing student success through developing programs and activities to assist students in setting and achieving their academic goals. Services include mentoring, college survival seminars/workshops, individualized educational planning and other services to enhance success. The office promotes a caring and nurturing environment that allows students to discuss their academic and personal concerns with a friendly and supportive staff.

Student Financial Services

The Broward Community College Office of Student Financial Services is ready to assist you in funding your education. The goal of the financial aid office is to help students who can benefit from further education but cannot afford to attend school without financial support. Our office staff will guide you through the application process as well as assist you in completing all the required forms. Please feel free to visit any of our campus offices for further information.

Applications for financial aid must be submitted each year. In order to be considered for the maximum aid available, you must file your financial aid form by the priority deadline of May 15.

If you have all the requested financial aid documents as well as your evaluated academic transcripts by the deadline date below, and you are eligible, you will be guaranteed that your schedule will be paid by the due date for the start of classes. If you do not meet the deadline date, you may still be eligible for financial aid, but you will have to pay your own tuition and books.

Term	Deadline
Fall	July 5, 2007
Winter	October 18, 2007
Summer	March 20, 2008

On the Broward Community College website, www.broward.edu, click on “access financial aid.” Students may receive information on the following:

- How to apply including a direct link to the federal application
- Scholarship information with links to scholarship search engines
- Entrance and exit interviews for loan applications
- Student employment opportunities

Grants

Grants are free monies provided by the federal and state government and are generally awarded to individuals who demonstrate exceptional financial need. Federal and state grants include the Pell Grant, the Supplemental Education Opportunity Grant, Academic Competitiveness Grant, and Florida Student Assistance Grant.

Loans

Loans are financial assistance that must be repaid with interest in a specific time period. Often repayment is deferred while students are attending classes, enrolled in a minimum of six (6) credit hours.

Employment

Work-study programs at BCC provide part-time jobs on and off campus for students to enable them to earn part of their college expenses while gaining valuable experience. For on-campus employment, students may work up to a maximum of 20 hours a week. The off-campus employment program places students in areas of career interest, mostly as teacher aides in local public schools.

Scholarships

Scholarships are usually awarded to students who demonstrate academic excellence, exceptional talent or skills, or who demonstrate financial need. Although each scholarship has its own criteria, BCC requires only one application. Information on scholarships can be found on our website.

Veterans Affairs

Broward Community College is an approved site for training veterans for associates of arts degrees, associate of science degrees and some approved certificates. Veterans' advisors are available to answer questions and if necessary, refer the student to the Department of Veterans Affairs. There is literature available at all the Student Financial Services offices to assist veterans to further their educational goals.

Attendance Policies

Certificate Programs (NCD) Monthly attendance reports are sent to students enrolled in certificate programs. It is the student's responsibility to get the completed forms back to the VA advisor in a timely manner. If 9 hours of scheduled classes are missed, the student's benefits are terminated. Degree Programs (IHL), Class attendance policy is in accordance with the

current Broward Community College Catalog, Academic Information, College Regulations, and Class Attendance Policy.

The Return of Title IV policy

Applies to any student who has withdrawn from all BCC classes in a term he/she is receiving any form of Title IV aid. This includes Pell Grant, Supplemental Opportunity Educational Grant, both Subsidized and Unsubsidized Stafford Loans. The Office of Student Financial Services will apply the Federal Title IV formula to determine the percentage of funds that were "earned" for the portion of the term enrolled. If a student has received more aid than he/she is entitled to based on the date of withdrawal from classes, federal law requires that the student must repay the college within 45 days of notification or lose eligibility for future federal aid payments. Additional information on the Return of Title IV funds is available on-line in the Student Financial Services Application Award Guide.

Student Media

Student Media, student productions, publications and press are valuable in establishing and maintaining an atmosphere of free and responsible discussion of intellectual exploration on the campus. They are a means of bringing student concerns to the attention of faculty and administration as well as formulating students' opinions on various issues on the campus and the world at large. In addition, student publications and productions serve as a training opportunity for students interested in professional journalism, either print or broadcast. All college published and financed student media shall explicitly state the opinions expressed are not necessarily those of either the faculty or students of Broward Community College. All media is expected to observe the standards of the respective professions. These statements are to be considered as supplementary to the established policies of the Board of Trustees as they relate to student publications. The college will ensure free and responsible media and will not censor or approve copy in advance. The editorial freedom of student editors and managers entails corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, and the techniques of harassment and innuendo.

BCC Broadcasters

Disruptive Student Policy

Disruptive Student Policy (BCC Policy 6Hx2-5.19)

The Disruptive Student Policy protects students, faculty and staff from any disruptive behavior of students:

Students who cannot conform to the standards of appropriate behavior as set forth in Broward Community College Policy 6Hx2-5.02, Student Responsibilities, shall not be permitted to interfere with other students' access to a college education. Broward Community College students are subject to federal and state law, county and municipal ordinances, and all policies and procedures of the Board of Trustees. Violation of these published laws, ordinances, or policies and procedures may subject the violator to appropriate action by College authorities. The campus Deans of Student Affairs are authorized to recommend to the Vice President for Student Affairs the suspension or expulsion of students based on disruptive behavior. The Vice President for Student Affairs is authorized to enforce suspension or removal decisions, including the use of appropriate legal processes. Nonviolent student dissent does not fall under the purview of this policy.

For students who exhibit disruptive behavior serious enough to merit disciplinary action, the College may refer the students for appropriate psychological/psychiatric evaluation. The College shall retain the services of a psychological/psychiatric evaluator to assess the behavior and psychological condition of students who exhibit disruptive behavior or threaten bodily harm to themselves or others or exhibit severely disoriented perceptions and/or behaviors. Alternatively, College counselors may be used to assist students who exhibit less severe disruptive behavior.

All records associated with the treatment or disciplinary process shall be kept confidential. Students treated for a mental disorder under this policy are protected by the Americans with Disabilities Act of 1991 and Section 504 of the Rehabilitation Act of 1973.

Students suspended under this policy shall (1) receive a 100% refund for the term during which they were suspended and (2) re-enroll only after certification by a licensed clinical psychologist or psychiatrist, a recommendation from a campus Dean of Student Affairs, and approval by the Vice President for Student Affairs.

Procedures: Dismissal of Disruptive Students

All referrals for immediate intervention with a disruptive student will be made to the appropriate campus/center chief student affairs officer, consistent with BCC Policy 6Hx2-5.19, Dismissal of Disruptive Students. The campus chief student affairs officer will assess the student's condition, and if further evaluation is needed he/she will consult with the Vice President for Student Affairs and Enrollment Management. The campus/center chief student affairs officer and Vice President will determine whether an evaluation with an agency consultant is necessary, and the Vice President or his/her designated representative will make the referral to a professional clinician for psychological and/or psychiatric evaluation. The campus/center chief student affairs officer may decide not to allow the student onto campus prior to the results of professional evaluation.

The student will be informed by the campus/center chief student affairs officer of the reason(s) that he/she is being referred for the initial evaluation and whether the College will assume the expense for this evaluation. The results of the evaluation will be used by the Vice President, and the campus/center chief student affairs officer, in determining the student's enrollment status with the College.

The College will retain the services of professional clinicians who:

1. Are state licensed and have appropriate credentials in the field of mental health, according to State of Florida guidelines.
2. Will provide a written evaluation and diagnosis of the student in a timely manner following referral.
3. Will provide information regarding follow-up treatment if necessary.

4. Have the ability and available personnel to provide immediate crisis intervention, if the severity of the incident or client's condition so warrants.

Re-entry Process: If a student, who has been removed from the College under the Disruptive Student Policy, applies for re-entry to the College, the following process will be followed:

1. The campus/center chief student affairs officer must be contacted by the student regarding her/his request for re-entry to the College. The campus/center chief student affairs officer, in consultation with the Vice President for Student Affairs, shall determine if a student will be allowed to return to BCC. Students who are considered likely to disrupt the educational environment or who pose a threat to persons or property will not be re-admitted.
2. If a student does not agree with the decision made by the campus/center chief student affairs officer, he/she may appeal to the Vice President for Student Affairs and Enrollment Management.

Unlawful Sexual Harassment/Battery/Assault Policy

Unlawful Sexual Harassment /Battery/Assault Policy (BCC Policy 6Hx5.20)

The Unlawful Sexual Harassment/Battery/Assault policy protects against and deals with sexual harassment:

Sexual Harassment: As established in the College's Policy 6Hx2-5.22, *Unlawful Discrimination, Harassment and Retaliation Policy*, the College intends to protect all students from sexual harassment.

For the purpose of this policy, sexual harassment is defined as any unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature which (1) makes submissions to or rejection of such conduct either an explicit or implicit basis for admissions and/or academic decisions affecting the individual or (2) unreasonably interferes with the individual's education or academic performance by creating an intimidating, hostile, or offensive environment.

Conduct which falls into the definition of sexual harassment includes, but is not limited to:

- Unwelcome physical contact of a sexual nature such as patting, pinching, or unnecessary touching.
- Overt or implied threats against an individual to induce him/her to perform sexual favors or to engage in an unwelcome sexual relationship.
- Verbal innuendos or jokes of a sexual nature, including graphic or degrading verbal comments about an individual and/or his or her appearance.
- Use of sexually suggestive terms or gestures to describe a person's body, clothing, or sexual activities.

- Displaying or posting offensive sexually suggestive pictures or materials on campus.

Sexual Battery/Assault: No student may commit or attempt a sexual battery/assault against any student or employee of the College or against any person at a College sponsored or supervised activity. In addition to any criminal or civil actions which may be pending or in process, the College may pursue a separate disciplinary action against any student believed to have committed or attempted a sexual battery as defined below.

Sexual Battery Defined: Commonly referred to as rape, *sexual battery* shall be defined in accordance with *Florida Statutes*, Chapter 794.011, as a criminal act consisting of “oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object” without that person’s consent. *Consent* means intelligent, knowing, and voluntary consent and does not include a coerced submission or a submission obtained by threatening the victim. Consent shall not be deemed or construed to mean the failure by the alleged victim to offer physical resistance to the offender.

Furthermore, consent cannot be obtained from a person who is temporarily or permanently incapable of appraising the nature of his/her conduct. For example, a person who is under the influence of an intoxicating substance may be unable to appraise the nature of his/her conduct. Under Florida law, both males and females may be *victims* of sexual battery. It does not matter whether the victim knew his/her attacker (date/acquaintance rape) or did not know his/her attacker (stranger rape). It does not matter if the victim has had a previous relationship with his/her attacker.

Procedures: Unlawful Sexual Harassment/ Battery/Assault

The Unlawful Discrimination, Harassment and Retaliation Procedure for Students, A6Hx2-5.22, is the appropriate procedure to follow in order to file a complaint of sexual harassment.

Sexual Battery/Assault: The Chief Student Affairs Officer on the campus/center has the responsibility to administer this procedure. Any violation of the College’s Policy 6Hx2-5.20, *Unlawful Sexual Harassment/Battery/Assault*, on-campus or at College-sponsored events, shall be reported immediately to the Campus Security Office, the Campus Provost, and the campus/center Chief Student Affairs Officer. The Chief Student Affairs Officer or Campus Provost/Center Director and/or Campus Security Office shall immediately confer with the Vice President for Student Affairs and Enrollment Management and notify appropriate law enforcement agencies. The investigation of sexual battery/

assault shall be the responsibility of law enforcement personnel.

College personnel shall assist the law enforcement agencies as required under the law. College personnel may also offer counseling support to victims and their families and arranging referrals to community agencies as necessary.

In the event an alleged perpetrator of a sexual battery/assault is an enrolled student, the Campus Provost/Center Director or the Chief Student Affairs Officer will consult with the Vice President for Student Affairs and Enrollment Management, with law enforcement personnel, and the College attorney, to decide the appropriate disciplinary action to take, if any, against the alleged offender. Action take by the College against the alleged offender will be pursuant to the College disciplinary process as outlined in the *Student Handbook* to ensure a safe and harmonious educational environment for students.

In the case of off-campus violations of this policy involving students, the Chief Student Affairs Officer, Campus Provost/Center Director and Vice President for Student Affairs and Enrollment Management may assist law enforcement personnel consistent with the Family Educational Rights and Privacy Act and applicable *Florida Statutes*. Victim counseling and other support may also be provided according to the needs of the victim and family members.

Informal Resolution: The student shall informally submit his/her complaint to the supervisor of the department where the alleged improper application of College policy or procedure occurred. The student must promptly file his/her complaint within 30 calendar days after the incident is alleged to have occurred and the complaint must refer to the specific College Policy or Procedure that was unfairly or misapplied. Students may choose to either ask for a specific action on the part of the College or are free to simply voice their complaint without asking for any action on the part of the College. However, even if the student requests that no action be taken on his/her complaint, the College may be required to investigate and take appropriate action under the law and/or the College's policies and procedures.

Formal Resolution: If a satisfactory resolution cannot be reached with the supervisor of the department, the student may formally appeal the decision, in writing, to the next higher level supervisor. The student must promptly file his/her complaint within 30 calendar days after a response is received from the informal process. Appeals to higher levels of authority end with the appropriate Provost or Vice President.

The Vice President for Student Affairs and Enrollment Management may serve as a liaison between students and staff at all levels of the complaint process.

HIV/AIDS

HIV/AIDS (BCC Policy 6Hx2-5.16)

The HIV/AIDS policy assures compliance with the Americans with Disabilities Act of 1990:

The Americans with Disabilities Act of 1990, Section #504 of the Federal Rehabilitation Act of 1973, and the Florida Educational Equity Act prohibit discrimination against persons with disabilities. Students will be referred to community and governmental agencies for additional support as necessary.

No student will be denied admission to the College on the basis that he/she has HIV. The College will not inquire of any potential student as to whether or not that person has HIV except where health records are required. In accordance with Florida Statutes 381.609, and the American College Health Association's Recommended Standards and Practices for a College Health Program, any student who informs the College that he/she has HIV will be afforded confidentiality regarding disclosure of their medical condition. No person, group, agency insurer, employer, or institution shall be provided any medical or other information without the prior specific written consent of the affected person. In the health sciences, medical records or other information will not be disclosed unless required by the health care agency where the student is acquiring clinical experiences. Students with HIV/AIDS who do not pose a threat to the safety of themselves or others will remain in classes.

The Broward Community College Student Handbook provides further information concerning HIV and AIDS, including identification of additional campus resources that may provide further information on HIV and AIDS. Any student who feels that they have been discriminated against in violation of this policy should notify the Vice President for Student Affairs.

Academic Policies

BCC reserves the right to amend policies and procedures at any time. For the most current version of the following policies, please check online at www.broward.edu/PolicyAndProcedure/

Community College Transfer Guarantee

The Community College Transfer Guarantee assures that students with an Associate in Arts degree are guaranteed specific transfer rights to other state colleges and universities:

Students who graduate from Florida community colleges with an AA degree are guaranteed the following rights under the Statewide Articulation Agreement (State Board of Education Rule 6A-10.024):

- Admission to one of the eleven state universities, except to limited access programs.
- Acceptance of at least 60 semester hours by the state universities
- Adherence to the university requirements and policies, based on the catalog in effect at the time the student first enters a community college, provided the student maintains continuous enrollment.
- Transfer of equivalent courses under the Statewide Course Numbering System.
- Acceptance by the state universities of credits earned in accelerated programs (e.g., CLEP, AP, Dual Enrollment, Early Admission, International Baccalaureate, and AICE).
- No additional General Education Core requirements.

- Advance knowledge of selection criteria for limited access programs.
- Equal opportunity with native university students to enter limited access programs.

Should any guarantee be denied, students have the right to appeal in writing to the Vice President for Student Affairs at BCC. Each state university and community college shall make available established appeal procedures through the respective articulation officers.

Class attendance policy

Class attendance policy (BCC Policy 6Hx2-4.18)

The Class Attendance Policy outlines rules for class attendance:

It is a student's responsibility to attend classes to ensure they are properly enrolled. Starting fall 2007, faculty will report student non-attendance, if they stop attending class prior to the withdrawal date, they will be administratively withdrawn from class and receive a W or, if it is their third attempt, an F. If a student stops attending class after the withdrawal date, they will receive a WF that will then be computed as an F in their GPA. For financial aid and veteran benefit recipients, this will affect the amount of the award. For international students, this will affect their full-time F-1 status requirement. For further information, visit www.broward.edu/sfs or call 954-201-7623.

The College believes that class attendance plays a major role in the teaching/learning process and, therefore, expects students to attend classes regularly and on time. Exceptions to this policy are set forth below.

Faculty Responsibilities

It is the responsibility of each faculty member to formulate an attendance policy for the courses he/she teaches and to ensure that this policy is communicated in writing in the course syllabus within the first week of class meetings. Members of the College's staff are expected to exercise good judgment in the formulation, implementation, and application of their policies.

Non-Class Days

Should unanticipated circumstances that are beyond anyone's control or when concerns are raised about the safety and/or security of the students, faculty, staff, and/or the facilities, the President or his/her designee has the authority to close a campus or the College. For purposes of grading and attendance policies, the day(s) during which the campus/College is closed shall be considered a non-class day(s). When this occurs, each faculty member shall determine how best to make up the lost class time.

Non-Penalized Absences

There shall be no penalty for a student who is absent from academic activities because of religious holy day observances in his/her own faith, the student's serious illness, a death in the immediate family, or attendance to statutory governmental responsibilities.

Student Responsibilities Relative to Non-Penalized Absences

A student shall notify instructors in advance of absence(s) to observe a religious holy day(s) in his/her own faith, and shall likewise notify instructors in advance of other absences when practicable under the circumstances. "Death in the immediate family" shall be interpreted to mean mother, father, spouse, child, brother, sister, grandparents, or grandchildren. "Statutory governmental responsibilities" refer to such matters as jury duty, subpoena for court appearance, or unplanned military obligation. If a non-penalized absence occurs on the first day of class, the student shall notify the instructor of the reason for his/her absence at the next class meeting. Documentation for non-penalized absences shall be presented by the student should the faculty member request it. The student shall be responsible for the material covered in his/her absence and shall be granted a reasonable amount of time to make up any work or test missed for non-penalized absences.

Extenuating Circumstances

Should a student see a difficulty in observing the attendance policy in his/her class, contact shall be made with the faculty member involved within the first week of class to work out an alternate arrangement. If an alternate arrangement cannot be made, then the student may seek an alternate class, where applicable, that accommodates his/her requirements.

Excessive Absences

Excessive absences from any course, regardless of the reason, may result in withdrawal of the student from the course and/or necessitate that the student repeat the course.

Classes with Special Instructional Requirements

Attendance requirements shall conform to applicable accreditation standards, licensure requirements, or other instructional requirements. Although the make up of laboratory or clinical classes may not be possible, non-punitive provisions will be made for absences caused by serious illness, religious observances, or other approved reasons. These provisions may include giving a student a W or I grade.

Appeals

A student may appeal a Faculty member's attendance policy, or the application thereof, by following the procedure for appeals concerning grades which is set forth in Broward Community College Policy 6Hx2-4.19, Grades and Grade Appeal Process.

Grades and Grade Appeal Process

Grades and grade appeal process (BCC Policy 6Hx2-4.19)

The grades and Grades Appeal process policy establishes a mechanism for students to challenge a grade:

Florida State Board of Education Administrative Rules, Chapter 6A-14.0301, limits the number of times a student may attempt a course. An attempt is defined as student enrollment after the 100 percent refund deadline.

Total Attempts College-Level Courses

A student may have only three attempts per course, including the original grade, repeat grades, withdrawals, and audits declared after the end of the drop/add period. A fourth attempt may be allowed only through a successful petition to the Academic Standards Committee based on major extenuating circumstances. The total attempts limitation, however, does not apply to repeatable courses, such as music, choir, etc., that have been successfully completed and are now being repeated for further skill enhancement; or to courses that are required to be repeated by a regulatory agency; or are being repeated as part of a regulatory requirement for continuing education to stay current in a field, such as teacher certification.

Total Attempts - College-Preparatory Courses

A student may not enroll for more than three attempts in each college-preparatory course. A student who withdraws from a college-preparatory course under major extenuating circumstances may be granted an exception through petition to the Academic Standards Committee. A college preparatory student, who is required to be certified as completing competency-based college preparatory instruction, may not enroll as an audit student.

Faculty Grading Policy

Each Faculty member shall communicate in writing in clear detail his/her grading policy within the first week of class meetings of each course. The policy shall be included in the syllabus for the course. The elements to be considered in calculating the student's course grade shall be clearly articulated as to value and all factors to be considered in arriving at the final grade shall be stated. Any appeal on the grade shall be considered against the background and the standard as set forth in the Faculty member's grading policy.

Final Grades and Records

Final grades for each term are recorded and preserved. Reports are submitted to students at the close of term. Grade point averages for graduation and honors are calculated only on college level academic work and include all work attempted at all colleges.

The following grades are used to calculate the grade point average:

Grades		Points
A	Excellent	4
B	Good	3
C	Average	2
D	Passing	1
F	Failure	0

The following grades, however, do not affect the grade point average:

Grades		Points	Grades		Points
I	Incomplete	0	NG	No Grade Assigned	0
W	Official Withdrawal	0	NR	Grade Not Received	0
X	Audit	0	S	Satisfactory	0
XW	Audit Withdrawal	0	U	Unsatisfactory	0
			NC	Non-Credit Course	0

Non-Punitive Grades: Grades which do not affect the grade point average are awarded under the following circumstances.

I Incomplete

An I grade may be given in courses where a student in good standing and with documented extenuating circumstances has not completed the required course work by the end of the term. The student should make arrangements to have the I changed to a final grade by the Instructor (by the agreed upon date) during the next full semester (summer terms are not considered in this time limit). If no change is initiated during the next full term, the I will automatically become an F on the student's permanent record. If the course work is completed, resulting in a passing grade, the student's transcript will be amended and final GPA calculated.

W Official Withdrawal

Florida State Board of Education Administrative Rules, Chapter 6A-14.0301, requires community colleges to adhere to the following procedures relating to the awarding of a W for a student withdrawal from a course.

1. The student may withdraw without academic penalty from any course by the midpoint in the semester.
2. The student will be permitted a maximum of two withdrawals per course.

3. Upon the third attempt, the student will not be permitted to withdraw and will receive an A, B, C, D, or F grade for that course.

X and XW Audit

A student should indicate the desire to audit a course when registering for the class and cannot change from audit to credit after the drop/add period. Up to the end of the withdrawal period, a student may change to audit with the permission of the Faculty member. A student who audits a course must adhere to attendance requirements of the course and, if the Faculty member desires, in-class requirements. No grade will be assigned and no credit will be awarded; however, an audit will count as an attempt if such enrollment status is declared after the end of the drop/add period. The transcript will indicate a course was audited by listing an X grade, but an XW indicating withdrawal may be given the student at the discretion of a Faculty member for failure to adhere to attendance or in-class requirements of the course. A student may take a course previously audited for credit but may not petition for credit on the basis of the previous audit. The cost for auditing a course is the same as taking it for credit. A department may exclude a course from audit status. College preparatory students, who are required to be certified as completing competency-based college preparatory instruction, may not be enrolled as audit students.

NC Non-Credit Course

The NC is assigned automatically for any zero credit hour course. NC is used for continuing education, economic development, lifelong learning, and other classes for which no credit is awarded.

NG No Grade Assigned

The NG is used to indicate that a student has not satisfied the requirements for a non-credit class. It is also used for certain self-paced courses as well as designated Health Sciences and continuing education classes.

NR No Grade Reported

The NR is assigned by the Registrar's Office in cases where class rolls have not been submitted in time for normal processing of grades.

S and U Satisfactory and Unsatisfactory

The S and U grades are used only for those courses that have received prior approval through the curriculum review process to award the Satisfactory/Unsatisfactory grades.

Forgiveness

In accordance with Florida State Board of Education Administrative Rules, Chapter 6A-14.0301, a student who has completed a course and desires to improve his/her grade for that course may repeat the course only if he/she

has earned a D or F grade. The number of repeat attempts is limited to two per course. Repetition of a course removes the previous grade from the student's record only for the purpose of calculating grade point average. The original grade remains on the transcript, but only the grade earned in the last attempt is used for calculating the degree grade point average. The State's Articulation Agreement does not allow courses to be repeated for the purpose of changing a student's grade point average after the associate degree has been awarded.

Withdrawal Under Exceptional Circumstances

When a student is required to withdraw from a course after the official drop period, but prior to the midterm date, because of circumstances determined by the College to be exceptional and beyond the control of the student, a 100 percent refund may be approved by the Provost of the campus, the Downtown Center Administrator, or the Provost of the Center for Health Sciences Education, where the student is enrolled. Such circumstances may include, but are not limited to, serious illness, involuntary call to active military duty, or other emergency circumstances or extraordinary situations.

Grade Appeal Process

The Grade Appeal Processes apply to final course grades and grades received as a result of academic dishonesty. The appeal processes described in Procedure 6Hx2-4.19 provide procedural due process to students.

Grounds for Using the Grade Appeal Process

Any appeal of a course grade shall be considered in comparison with the standards in the Faculty member's grading policy. Each Faculty member shall communicate in clear, detailed written form his/her grading policy within the first week of the course. The policy shall be included in the course syllabus. The elements to be considered in calculating the student's grade shall be clearly articulated as to value and all factors to be considered in arriving at the final grade shall be stated. The student's appeal shall be based upon a complaint of inequitable treatment that the student can demonstrate with reasonable evidence. The appeal shall show that the grading policy was misapplied to the student.

The appeal shall be based upon the student's claim that academic dishonesty did not occur. The academic sanction imposed by the Faculty member and stipulated in the course syllabus may not be appealed.

Preliminary Action: Resolution with the Faculty Member. If a student thinks that he/she has been unfairly graded in a course, the student should meet or communicate no later than the second week of the next term with the Faculty member in an attempt to settle the disputed grade and avoid the formal Grade Appeal Process. If the student is uncomfortable with approaching the Faculty member, the Associate Dean may arrange the meeting between the student

and the Faculty member.

Either the Faculty member or the student may request the Associate Dean or other college official to be present. If the resolution results in a grade change, then the Faculty member shall initiate said change no later than five working days of the meeting.

Should the Faculty member no longer be in the College's employ and/or be unreachable by any means when the student files a grade appeal, then the student may initiate this process with the Associate Dean.

If the student is dissatisfied with the Faculty member's decision, then the student may begin the three-step Grade Appeal Process as outlined below. The purpose of this process is to determine whether or not the Faculty member followed the College grading policy as specified in the Catalog, in the Broward Community College Policy Manual, in the Broward Community College Faculty Staff Handbook, and in the Faculty member's grading policy as transmitted to the student.

At any step, if the student and the Faculty member can resolve the issue, the Appeal Process is concluded. Deviations from the time frames stipulated in the formal Grade Appeal Process must be agreed to by both the student and the Faculty member.

Adjunct faculty may request the assistance of a full-time faculty mentor during the appeal process.

Step 1: Submission of Documents. The student will obtain a Grade Appeal Request Package from the Student Affairs Office or the Associate Dean. In the completion of this package, the student must include all issues and arguments and must attach all pertinent forms, paperwork, and evidence that he/she wishes to be considered in the appeal. The student must make the written appeal as soon after receiving his/her final grades as possible, but no later than within three weeks after the start of the next term. The process begins with the student submitting the Grade Appeal Request Package to the Faculty member via the Associate Dean. In the absence of extraordinary circumstances, failure to complete the Grade Appeal Request Package in the designated time period will end the student's right to appeal. Students taking sequential courses will be allowed to enroll for subsequent classes, but they are cautioned that should they lose their appeal, they will be removed from the classes. All appropriate funds will be refunded to them.

Step 2: Mediation by Associate Dean. The Associate Dean will have five working days to set a date acceptable to all parties for a mediation session. This mediation session shall be within ten working days of the receipt of the Grade Appeal Request Package from the student as a result of Step 1.

If the Instructor is also an Associate Dean, the Dean of Academic Affairs will designate another Associate Dean to conduct the mediation.

Following the mediation session, the Associate Dean will reply in writing to the student as to whether the request is either 'granted' or 'denied.' If the Faculty member has declined to change the recorded grade, the Associate Dean will convey the Faculty member's rationale to the student in the formal reply. The student will be afforded five working days to decide if he/she desires to pursue the appeal with the Campus Grade Appeals Committee.

Step 3: A Hearing Before the Campus/Center Grade Appeals Committee.

If the student is dissatisfied with the results of the Academic Dean's mediation, he/she may notify the Campus Academic Dean within five working days of the Associate Dean's response from Step 2. The Associate Dean will forward the Grade Appeal Request Package to the Campus Academic Dean/Center administrator. The Campus Academic Dean will submit the Grade Appeal Request Package to the Campus Appeals Committee.

The membership of the Campus Grade Appeals Committee will be chosen from a resource pool of faculty, advisors, counselors, and students. The pool will be jointly appointed by the Campus Academic Dean and the Faculty Senate President. The Campus Academic Dean will convene the Committee, which will be comprised of seven members from the pool, and serve as the Chairperson. Faculty will constitute a majority of the Committee. Only one member may be from the affected department. One member will be a student. The remaining members of the Committee will be representative of a cross-section of academic disciplines and student personnel areas. The Campus Grade Appeals Committee will meet on an as-needed basis. The Committee will have three weeks from the time the Grade Appeal Request Package is received to hold a meeting. The Chairperson of the Committee will notify all affected parties of a hearing date no less than five working days prior to the hearing and will distribute all necessary documentation.

The Campus Grade Appeals Committee will review the Grade Appeal Request Package. It will consider whether or not the Faculty member followed the College grading policy as specified in the Catalog, in the Broward Community College Policy Manual, in the Broward Community College Faculty/Staff Handbook, and in the course syllabus. The student and Faculty member will be advised of the Campus/Center Grade Appeals Committee's decision by the Academic Dean within five working days of the hearing. The decision of the Campus Grade Appeals Committee will be final and binding, pending a review of the decision and the documentation by the Vice President for Academic Affairs for completeness and consistency.

Grade Appeal Process For Academic Dishonesty

The students, Faculty, administration and staff at Broward Community College value academic honesty as the foundation of the teaching and

learning process and are committed to cultivating an environment whereby personal and professional responsibility and accountability are central to all operations.

Breaches of the College's Student Code of Conduct pertaining to academic dishonesty (A6Hx2-5.02) may result in academic penalties at the discretion of the instructor and referral for disciplinary action through student affairs. Academic penalties may include, but are not limited to, a failing grade for a particular assignment or a failing grade for a particular course. Limited access programs, such as health sciences, may outline in program handbooks the sanctions for academic dishonesty which may include dismissal from the program.

Each Faculty member shall communicate in writing a statement on the consequences of academic dishonesty within the first week of the course. In addition to any academic penalties imposed by the Faculty member, the student may be referred to the chief student affairs officer of the campus/center for violations of the Student Code of Conduct.

Preliminary Action: Resolution with the Faculty Member. If a student thinks that he/she has been unfairly accused of academic dishonesty, the student shall meet or communicate with the Faculty member within five working days of the accusation in an attempt to settle the matter. If the student is uncomfortable with approaching the Faculty member, the Associate Dean may arrange and attend the meeting between the student and the faculty member.

If the resolution cannot be reached between the Faculty member and student, the student may begin the three-step formal Grade Appeal Process for Academic Dishonesty as outlined below. The purpose of this process is to determine whether or not there is sufficient evidence to uphold the student's assertion of innocence.

Should the Faculty member no longer be in the College's employ and/or be unreachable by any means when the student files an appeal, then the student may initiate this process with the Associate Dean. At any step, if the student and the Faculty member agree to a resolution of the issue, the appeal process is concluded. Deviations from the time frames stipulated in the Grade Appeal Process for Academic Dishonesty must be agreed to by both the student and the Faculty member.

Adjunct faculty may request the assistance of a full-time Faculty mentor during the appeal process.

Step 1: Submission of Documents. The student will obtain a Grade Appeal for Academic Dishonesty Request Package from the Student Affairs Office or the Associate Dean's Office. In the completion of this package, the student must include all issues and arguments and must attach all pertinent forms, paperwork, and evidence that he/she wishes to be considered in the appeal. The student must make

the written appeal no later than five working days after meeting with the Faculty member.

The process begins with the student submitting the Grade Appeal for Academic Dishonesty Request Package to the Faculty member through the Associate Dean. In the absence of extraordinary circumstances, failure to complete the Grade Appeal for Academic Dishonesty Request Package during the designated time period will end the student's right to appeal.

Students will be allowed to continue attending the class during the appeal process. Students taking sequential courses will be allowed to enroll for subsequent classes, but they are cautioned that should they lose their appeal, they will be removed from the classes. Any tuition and fees paid for classes from which the student is withdrawn subsequent to this provision will be refunded to them.

Step 2: Mediation by Associate Dean. The Associate Dean will have five working days to set a date acceptable to all parties for a mediation session. The Faculty member will submit in writing all relevant documentation to the Associate Dean prior to the mediation session. This mediation session shall be within ten working days of the receipt of the Grade Appeal for Academic Dishonesty Request Package from the student as a result of Step 1.

Following the mediation session, the Associate Dean will submit in writing to the student the outcome of the mediation session. If the Faculty member has declined to rescind the allegation of academic dishonesty, the Associate Dean will convey the Faculty member's rationale to the student in the formal reply. The student will be afforded five working days to decide if he/she desires to pursue the appeal with the Campus Grade Appeals Committee.

Step 3: A Hearing Before the Campus/Center Grade Appeals Committee. If the student is dissatisfied with the results of the Associate Dean's mediation, he/she may notify the Campus Academic Dean within five working days of receiving the Associate Dean's response from Step 2. The Associate Dean will forward the Grade Appeal for Academic Dishonesty Request Package to the Campus Academic Dean. The Campus Academic Dean will submit the Grade Appeal for Academic Dishonesty Request Package to the Campus Grade Appeals Committee.

The membership of the Campus Grade Appeals Committee will be chosen from a resource pool of Faculty, advisors, counselors, and students. The pool will be jointly appointed by the Campus Academic Dean and the Faculty Senate President. The Campus Academic Dean will convene the Committee, which will be comprised of seven members from the pool, and serve as the Chairperson. Faculty will constitute a majority of the Committee. Only one member may be from the affected department. One member will be a student. The

remaining members of the Committee will be representative of a cross-section of academic disciplines and student personnel areas. The CampusCenter Grade Appeals Committee will meet on an as-needed basis. The Committee will have ten working days from the time the Grade Appeal for Academic Dishonesty Request Package is received to hold a meeting. The Chairperson of the Committee will notify all affected parties of a hearing date no less than five working days prior to the hearing and will distribute all necessary documentation.

The Campus Grade Appeals Committee will review the Grade Appeal for Academic Dishonesty Request Package and will consider whether or not there is sufficient evidence to support the student's claim of innocence as it relates to academic dishonesty. The student and the Faculty member will be advised in writing of the committee's decision by the Academic Dean within five working days of the hearing. The decision of the Campus Grade Appeals Committee will be final and binding, pending a review of the decision and the documentation by the Vice President for Academic Affairs for completeness and consistency.

Religious observances

Religious observances (BCC Policy 6Hx2-4.20)

The Religious Observance policy assures the right and freedom of religious choice on campus:

Broward Community College values the right and freedom of religious choice by all individuals. Accordingly, the College will seek not to schedule major college events, such as major class assignments, major examinations, and official ceremonies, on major religious holidays whenever practicable. Reasonable alternatives shall be provided for students to carry out their responsibilities as students when their religious observance, practice and belief interfere with admission, registration, class attendance, examinations, class work assignments, and participation in official ceremonies.

Students may seek redress when they believe they have been unreasonably denied educational benefits because of their religious beliefs or practices by Community College Policy 6Hx2-4.19, Grades and Grade Appeal Process.

Students shall notify instructors in advance of absences to observe religious holy days in their own faith, and shall be excused from such absences without penalty. However, if non-penalized absences occur on the first day of class, students shall notify their instructors of the reasons for their absences at the next class meeting. Students shall be held responsible for material covered during their absences and shall be granted a reasonable time to make up any work or tests missed for non-penalized absences.

All absences shall be subject to the provisions of Broward Community College Policy 6Hx2-4.18, Class Attendance.
